## Train your skin with Facial Smoothies Wrinkle Removal Strips

*goddesscouturenews, 2015-07-01 18:17*

Good news Goddess couture readers, correct damage and train your skin with Facial Smoothies Wrinkle Removal Strips. Facial Smoothies are transparent adhesives shaped for the wrinkle-prone areas of your face, and they are sure to leave your skin looking baby smooth and line-free.

Facial Smoothies® work faster and are more effective than other products because they adhere better; the water and silicone based adhesives used by competitors just don't adhere as well. What makes this type of wrinkle...
